

EDUCATION

Relevant courses, experience, techniques & skills:

Organic Chemistry, Inorganic Chemistry, Analytical Chemistry, Quantum Physics, Process Engineering, Management, Computer Science

2014-2017
Chimie ParisTech
Paris (75)

Student at Chimie ParisTech

Ecole Nationale Supérieure de Chimie de Paris, ENSCP, graduate school of chemical science and engineering, and a founding member of two top French graduate networks: the engineering-focused **ParisTech** Institute of Technology and the research-focused *Paris Science et Lettres*, akin to a College of Sciences and Arts.

Diplôme d'ingénieur Chimie ParisTech expected in July 2017, conferring a Master of Science in chemical science and engineering.

2012-2014
Lycée Aristide Briand
Evreux (27)

Prep Classes: selective, intensive, high-level preparation in **Mathematics, Physics and Chemistry** for the nationwide competitive entrance exams to *Grandes Ecoles*.

2011 - 2012
Lycée Georges Dumézil
Vernon (27)

Baccalauréat S: secondary school leaving certificate, science major, awarded with first class honours.

EXPERIENCE

2015
Adagir

Hydraulic Basin Agency of Souss Massa and Draa – One month

Technician internship, physico-chemical analysis of groundwater and surface water and interpretations of results

2014-2015
Paris (75)

One year project "Europe, an asset for research", with 7 other students for the International Relations Management of Chimie ParisTech

Learned leadership, teamwork and communication skills, organized lectures.

2011-2012 et 2015
Vernon (27) and Paris

Private tuition in mathematics, physics and chemistry

Secondary school level, 3 hours per week

2012-2014
Evreux (27)

One-year research project in prep class

Studied the influence of heat transfer on the TiO₂-based photocatalytic degradation of 4-Nitrophenol

2008
Saint Marcel (27)

SKF Magnetic Mechatronics

"Company discovery" internship, during one week.

SKILLS

Languages

- **English:** B2 level
- **French:** mother tongue
- **Arabic:** dialect : fluent. 8 months altogether in Morocco
literary : intermediate skills
- **Spanish:** intermediate skills-studied for 5 years at school

Software: Word, Excel, PowerPoint, Maple, CodeBlocks

I.T : programming in C

Driving license

EXTRACURRICULAR ACTIVITIES

Sport : Volleyball : teamwork, leadership

Travel: Spain, Morocco, England

Associations : *Les Cordées de la Réussite* (organized activities for young people coming from difficult district), *Le Parrainage Tandem* (sponsorship between alumni and students), Treasurer

Personal data :

widad.belhajjame@etu.chimie-paristech.fr - +33 601 353 078

22, rue des bleuets 27200 VERNON FRANCE

French citizenship-Date of birth: 02/28/1994
